Group 2:

Jim Haptonstahl
Jennifer Georgis
Linda Sandman
Diane Kush
Stacia Swan
Selima Ani

Transitioning to Adult program. Find connections in community.
Also. Help parents deal with adult DD. Population.

Low verbal, autistic, highly impulsive young adult have no place to go.
Whole spectrum of DD have no programs after - 22.
Good behavior comes from productive work.

More funding from townships Mental Health Boards. Sell goods at seguingifts.com.

Building bridges program. Advocate for selves start. Working w/ schools at 14.
Certified behavioral analysts. Can be funded by Medicaid.-- work with work sites & placements
-- use interns from schools -contact Andrea Hastings ahastings@sequin.org for info

DD adults have to wait 2-5 years. For programs. Large waiting list for PUNS?

Supported Employment program - serves higher functioning clients

More parent education..

Issues regarding sexuality-- what are resources? Consortium on dating & sexuality & disabilities. Provide training & have developed curriculum. Taught by self-advocate & trainer.
Maybe be interested in planning another Train the Trainer event.**

Mentoring Programs. Mentoring program thru UIC Dev. Disability

Religious groups and peer High schools give service learning for mentors-- college mentors, also.
